## Work Experience

A program for 14-19 year olds

*Ready to bring the world of work alive for your students?*

We offer fully funded multi-day placements with 100s of leading employers from Northern Ireland and the rest of the UK.

Let us know how we can help you plan your work experience for the next academic year 24/25, by completing our [short survey](#), as we continue to work with employers to meet your needs.

Explore our range of different options – lasting from 3 to 5 days; in-person, virtual and hybrid.

1

### SEEK OUT IN-PERSON PLACEMENTS

Spend **3-5 days 'on the job' at an employer's site** doing fun skill-building activities. Include insightful tours, presentations, face-to-face project work and Q&As.

2

### UNCOVER VIRTUAL WORK EXPERIENCE

Our live fully interactive **online placements can be accessed remotely from anywhere** in the UK. Include presentations, project work and employer Q&As.

3

### FIND HYBRID OPTIONS

We also offer placements that **combine an element of face-to-face with an element of online work experience**, making them both accessible and flexible.
